**7.3.1 Portray the performance of the Institution in one area distinctive to its priority and thrust within 100 - 200 words**

Dr. S.R Chandrasekhar Institute of Speech and Hearing is a premier institution committed to excellence in clinical care, research, and education for communication disorders. Equipped with state-of-the-art diagnostic and therapeutic facilities, the Institute provides individualized, patient-centric care, significantly enhancing communication skills and quality of life for those with speech and hearing impairments.

The Institute leads in research, contributing valuable insights to speech and hearing sciences. Its findings, published in major journals, drive innovations in diagnostics and therapy, shaping modern practices. Collaborative projects with institutions further enhance its impact.

In education, the Institute offers comprehensive programs, including diplomas, bachelor's, master's, and PhD degrees, fostering expertise through hands-on training, internships, and a unique three-tier faculty mentorship. Students gain practical exposure in hospitals, special schools, and cochlear implant surgeries, preparing them for diverse clinical and research roles.

Community engagement is integral, with extensive outreach programs such as public awareness campaigns, school screenings, and neonatal hearing assessments. Unique initiatives include the Sunnad School for hearing-impaired children and the Mothers Training Center, empowering parents with skills to support their children's communication development, highlighting the Institute's dedication to inclusivity and lifelong support.
