Report on Ergonomics and postural corrections session. Be kind to your spine

Date	21/09/23
Event	A session on ergonomics and postural corrections
Title	Be kind to your spine
Participants	21 staff + 52 PG students

Objective: The session aimed at improving physical fitness and addressing specific musculoskeletal problems to improve the overall health and well-being of an individual.

Brief overview: The Women Empowerment Committee in Association with IQAC of Dr. S. R. Chandrasekhar Institute of Speech and Hearing conducted a session on Ergonomics and postural corrections on 21st of September 2023. The speaker of the day was Ms. S. Ankeyarkunni, a Physiotherapist. She started the session with an introduction of ergonomics and emphasized on maintaining proper spinal alignment when sitting, standing, and sleeping.

The best part of the session was The Tabata workout. The combined Tabata workout and physiotherapy session provided participants with a holistic approach to improving their fitness and addressing musculoskeletal issues.

Feedback: The participants gave positive responses and suggested conducting more sessions like these as it was an amazing and meaningful session.

Amazing session

Excellent..

Would like to have workout sessions on regular basis

Very interesting session. Would be really nice if it's organised in the morning.

Expecting more similar sessions

Thank you for providing healthy as well as hilarious time

More such sessions

Arrange sessions once a month atleast.

Event: Talk on “Caregiver Stress”

Program Details	
Date	23.11.2023
Participants	Students-84 and Faculty-29 Total= 113
Resource Person	Dr. Janet Parameswara(Medico Social Welfare Officer)
Organized by	Beyond Books and College Series (BBC)
Theme	Capability Enhancement-Human Value Development
Venue	Institute Auditorium

Objective: To build insight among students and staff on the challenges experienced by the caregivers.

Brief Overview:

Beyond Books and College Series (BBC) in association with IQAC conducted a talk on “Caregiver Stress” on 23.11.2023 between 1:30pm-1:30pm. Dr. Janet, a Medico Social Welfare Officer by profession enlightened the students and staff on this topic of significance.

She initiated her talk by introducing the term “caregiver”. Following this, she described the various challenges and barriers that surround the domains including mental health, self-care, personal hygiene, financial crisis during the process of caregiving. She also emphasised on the rewarding experiences associated with caregiving.

Feedback

A feedback form was developed and circulated to all the attendees via Google form link. The content of the talk was well acknowledged by all the students as they identified it to be of utmost relevance to the professional field. They also requested for similar topics in the future.

Event: Talk on "Drug Deaddiction Awareness Program"

Program Details	
Date:	21.12.2023
Participants:	Students-127 and Faculty-15 Total=142
Resource Person:	Mr. Cecil George (CEO/Executive Trustee of Blossom Convalescent Care Trust)
Organized by:	Beyond Books and College Series (BBC)
Theme:	Capability Enhancement-Human Value Development
Venue:	Institute Auditorium

Objective: To spread awareness among students about Drug Deaddiction.

Brief Overview:

Beyond Books and College Series (BBC) in association with IQAC conducted a talk on "Drug Deaddiction Awareness Program" on 21.12.2023 between 1:30pm-2:30pm.

Mr.Cecil George, a CEO/Executive Trustee of Blossom Convalescent Care Trust enlightened the students and staff on this topic of significance.

He initiated his talk by sharing his personal experience with drug usage and the antecedents that lead him to this direction. He expressed the need to venting out one's emotion into the right outlet so as to seek the help at the right time. His daughter Ms. Vanessa George, a psychologist by profession delivered a talk on how drug usage may impact on one's mental health.

The speaker also engaged the students in identifying the outlets in which they may tend to express their negative emotions.

Feedback

A feedback form was developed and circulated to all the attendees via Google form link. The talk was identified to be effective and of utmost relevance to the audience. The overall quality of the talk was well appreciated. Students and staff are expecting talks of the similar prospect in the near future. Many students requested for more sessions on the same topic as well.

B++ NAAC ACCREDITATION

Report on "Sensitization Program On Prevention Of Sexual Harassment At Workplace"

Program Details	
Date	25 th January, 2024
Participants	124
Resource Person	Mrs. Sabitha Seetharam, POSH Consultant, Human Resource
Venue	Dr. S. R. Chandrasekhar Institute of Speech and Hearing

Objective: The talk raised sensitization on the prevention of sexual harassment in the workplace.

Brief overview: The Internal Complaints Committee (ICC) for Prevention of Sexual Harassment (POSH) in collaboration with the IQAC organized a sensitization session on "prevention of sexual harassment at the workplace", which was held on 25th January 2024. Mrs. Sabitha Seetharam a POSH Consultant, Human Resource was invited as the guest speaker. She delivered an engaging and informative session on the prevention of sexual harassment familiarized us with the Prevention of Sexual Harassment law (2013) and made us aware of our rights and the procedure involved in lodging the complaints. She also elaborated on what constitutes sexual harassment other than molestation and rape, namely: a) unwanted physical contact; b) demanding/requesting sexual favors; c) sexually colored remarks; d) showing pornographic material; e) Unwelcome physical, verbal, or nonverbal conduct of a sexual nature; f) unwanted deliberate touching, leaning over, cornering, or pinching; g) unwanted sexual looks or gestures; h) unwanted letters, telephone calls, or materials of a sexual nature; i) sexual comments. She also shared many cases with us that she has encountered in her professional career.

Feedback: There was a question and answer session at the end of the talk, some members of the audience shared their experiences and cleared their queries. They found the talk very engaging, relevant, and informative. The audience was open to having similar sessions in the future.

Outcome: Overall 72 participants have given the feedback. 58.3% said the organization of the session was good. The content was rated by 48.6% as excellent, 88.9% of them have said that adequate time was provided for the questions and discussion. 100% have rated that they can apply this information at work place. The quality of the talk by expert was rated by 75% of them as good. 58.3% have said that overall effectiveness of the session was good. 98.6% of them have responded that they would like to participate in similar sessions in the future.

If yes/no

SUGGESTIONS SHARED BY PARTICIPANTS

- Talk was very nice.
- The time taken for the session should be shorter and to the point.
- More sessions should be organised.
- Very important aspect to talk about need to build confidence among individuals who suffer and stay silent.
- May be two sessions instead of one long one.
- Looking forward for more such session.
- overall it was good.
- Very informative and interesting.
- Time limit should be maintained.

Report on - “Introduction to CI and role of an audiologist in a CI program”

Program Details	
Date	1 st February 2024
Participants	(9)2 nd Msc. Audiology students & (8) In house faculty
Resource person	Ms. Nikita Francis, MASLP, Education, Training & Clinical Specialist, and Key Account Management at Advanced Bionics India
Venue	(Offline) Seminar Hall (11:00 am to 1:00 pm), DR. SRCISH

Objective: This programme was aimed at enhancing the knowledge on “Introduction to CI and role of an audiologist in a CI program” for the staff and 2nd Msc. students.

Overview: The talk was conducted on 1st February 2024 by the Department of Hearing Studies in association with the Faculty Development Committee and IQAC for student and faculty training. The aim of the event was to assist students and faculty in gaining firm knowledge and experience in handling Cochlear implant children for mapping and rehabilitative procedures. She delivered a two-hour-long presentation on basic cochlear implant tools, pre-counseling, post-counseling, additional features of the device, speech coding strategies, and rehabilitation. She adeptly conveyed the content to both students and faculty members, demonstrating effective communication skills. Throughout the presentation, she remained open to questions from the audience, addressing them with clarity and patience. Her interaction with everyone present was engaging and inclusive, fostering a positive and collaborative atmosphere. Overall, her ability to explain complex concepts and engage with the audience contributed to a successful and enriching experience for all participants.

Alumni Talk Series: Whats and Hows of Research

Program Details

Date	27 January 2024
Participants	35 Participants (24 Students and 11 staff members)
Resource person	Mr. Surian N.
Venue	Institute Auditorium, IISH (ISH)

Objective: The talk aimed at enhancing the comprehensive understanding of research methodologies and emerging technologies shaping contemporary research practices.

Brief Overview: Mr. Surian N, Associate Professor and Vice Principal, Sreevaid Institute of Speech and Hearing, Bangalore who is also an Alumni of DR.S.R.C. IISH, enlightened the students and staff on the topic "Whats and Hows of Research". This program was organized by the Alumni Association committee in collaboration with IQAC.

His talk aimed to delve into the intricacies of research exploring effective strategies for data collection and analysis, and examining the significance of critical thinking in research pursuit. Through engaging discussions, he explained how to find reliable information for a research topic, how to analyze the data and the process of publishing research in scientific journals. He also shared his personal experiences to the audience bridging the gap between academics and real-world challenges. He highlighted the ethical considerations for research involving the importance of ensuring the research integrity, confidentiality, and consent.

An interactive session with the staff was also conducted where Mr. Surian clarified the doubts regarding the publications and the process involved in publications.

Feedback: A Google form was circulated to all the attendees to obtain feedback on the talk. This talk was well appreciated by all the attendees and they appreciated the content and quality of the talk. Students also requested more such sessions to enhance their practical knowledge.

Event: Talk on “Cyber Crime and POCSO”

Program Details	
Date	15.02.2024
Participants	Students-50 and Faculty-21 Total= 51
Resource Person	Mr. Alwyn Sebastian (Practising Lawyer and partner at TSA legal)
Organized by	Beyond Books and College Series (BBC)
Theme	Capability Enhancement-Human Value Development
Venue	Institute Auditorium

Objective: To build awareness on POCSO act and the impact of cyber-crimes.

Brief Overview:

Beyond Books and College Series (BBC) in association with IQAC conducted a talk on “Cyber Crime and POCSO” on 15.02.2024 between 1:30pm-2:30pm. Mr Alwyn Sebastian, a practising lawyer, enlightened the students and staff on this topic of significance.

He initiated his talk by introducing the audience to the history of child sex trafficking and sex tourism cases that were linked to Indian scenario and the genesis of the legal measures associated with such crimes, the POCSO Act that was enabled in 2010. He emphasized on the punishment and fine towards victim compensation that depend on the gravity of the offences. He discussed on how to recognise traumatic experiences in children by observing irregular behaviours that may emerge unusually and how in such cases a clinical psychologist may play a vital role as a translator of such experiences. He also conveyed the procedures involved in reporting cases under the POCSO Act where he highlighted on the presence of special courts that aid in disposal of cases with 1 years’ time of their occurrence.

He spoke of yet another sensitive topic, cybercrimes wherein children may transact themselves as adults and use the cyber space misguidedly. He also discussed the various websites and channel that may call in for such cybercrimes by naming a few websites and case examples pertaining to the same.

Feedback:

A feedback form was developed and circulated to all the attendees via Google form link. The talk was well appreciated and was identified to be effective and of utmost relevance to the audience. The overall quality of the talk was well appreciated. Students and staff are expecting talks of the similar prospect in the near future. Many students requested for more sessions on the same topic as well.

Outcome: This talk has enabled the students to build awareness on the procedures related to reporting cybercrimes and child sexual abuse cases that may happen in and around their premises

Event: Talk on "My Nutrition Goals"

Program Details	
Date	21.03.2024
Participants	Students- 20 and Faculty- 14 Total= 34
Resource Person	Dr. Deepthi N
Organized By	Beyond Books and College Series (BBC)
Theme	Capability Enhancement- Yoga and Wellness
Venue	Institute Auditorium

Objective: To build awareness on how to set nutritional goals in day-to-day life.

Brief Overview: Beyond Books and College Series (BBC) in association with IQAC conducted a talk on "My Nutrition Goals" on 21.03.2024 between 1:30pm-2:50pm. Dr. Deepthi N, a Certified Onco-Dietitian and Lifestyle Consultant (Aarbhdi Foundation) enlightened the students and staff on this topic of significance.

Beginning her talk recounted the importance of understanding one's nutritional needs based on factors such as age, gender, activity level and any specific health conditions. By gaining insights into the role of macronutrients, micronutrients, and hydration, individuals can make informed choices to support their overall health and vitality.

A significant portion of the talk was dedicated to discussing the importance of balancing macronutrients, proteins, carbohydrates and fats in the diet. She also highlighted the role of each macronutrient in supporting various bodily functions and provided practical tips for achieving a balanced intake to promote energy and overall well-being.

She emphasized the concept of mindful eating as a key strategy for cultivating a healthier relationship with food and practicing mindfulness techniques such as slowing down during meals, savouring each bite and tuning into hunger and fullness cues, individuals can enhance their eating experience and make more conscious food choices.

Feedback:

A feedback form was developed and circulated to all the attendees via Google form link. The talk was well appreciated and was identified to be effective and of utmost relevance to the audience. The overall quality of the talk was well appreciated. Students and staff are

expecting talks of the similar prospect in the near future. Many students requested for more sessions on the same topic as well.

Outcome: This talk has enabled the students to build awareness on nutritional Goals and also valuable insights and practical strategies for individuals looking to improve their dietary habits and achieve optimal health. By setting personalized goals, practicing mindful eating, balancing macronutrients, incorporating whole foods and seeking professional guidance when needed, individuals can embark on a journey towards a healthier and more fulfilling lifestyle. The talk served as a reminder of the transformative power of nutrition and the importance of making conscious choices to support overall well-being.

LETTER OF APPRECIATION

Dear Dr. Deepthi, N,

On behalf of DR S.R.Chandrasekhar Institute of Speech and Hearing, we would like to thank you for accepting our invitation and delivering an informative talk on "My Nutrition Goals" on 21.03.2024 at our Institute.

The talk was well appreciated by all the attendees including the students and faculty of DR.S.R.C.I.S.H.

Looking forward to more engaging topics as the above in the future.

Report on-'Vestibular Rehabilitation' an Alumni Talk Series

Program Details	
Date	22 nd March 2024
Participants	(9) II M.Sc. Audiology students, (4) I M.Sc. Audiology students & (5) In house faculty
Resource person	Mr. Balavignesh S, Clinical Audiologist and Business Development Manager at Cyclops Medtech and Dirty Easy Vestibular Clinic, Bangalore Alumni batch 2019 - 2021
Venue	(Offline) Seminar Hall (10:00 am to 12:00 pm), DR. SRCISH

Objective: This program was aimed at enhancing the knowledge on "Vestibular Rehabilitation" for the staff and M.Sc. students.

Overview: Alumni of Dr. S R Chandrasekhar Institute of Speech and Hearing and Department of Hearing Studies in association with IQAC organized an Alumni talk series on 22nd March 2024. The event aimed to assist students and faculty in gaining firm knowledge and experience on Vestibular Rehabilitation and Maneuvers. Mr. Balavignesh delivered a two-hour presentation on the causes of vestibular problems; how to take a detailed case history; essential qualities of a clinician like rapport building, motivation, discipline, and consistency in treating patients; and various vestibular rehabilitation maneuvers. He also gave a demonstration of how to maneuver patients. He answered questions patiently and clearly, keeping the crowd engaged and inclusive throughout.

Report on - "Simulation Training on Electrode Insertion in Cochlear Implants"

Program Details	
Date	28 th March 2024
Participants	1 st MSc. Audiology students, 2 nd MSc. Audiology students & In-house faculty
Resource person	Mr. Gourish Bellad, Sales Manager (Recipient Services Specialist), Cochlear.
Venue	(Offline) Seminar Hall (9:00 am to 11:00 pm), DR. SRCISH

Objective: This programme was aimed at enhancing the knowledge on "Electrode Insertion in Cochlear Implants" through a simulation training for the staff, 2nd MSc. Aud and 1st MSc students.

Overview: The training was conducted on 28th March 2024 by the Department of Hearing Studies and IQAC for students and faculty. The aim of the seminar was to assist students and faculty in acquiring knowledge and skills in electrode insertion in cochlear implants. He conducted a presentation for two hours on types of electrodes, placement of the electrode inside the cochlea, techniques for electrode insertion, and also showed the different electrodes (straight electrode and pre-curved electrode). Mr. Gourish then gave a demonstration of how to insert the electrodes in cochlea and the techniques used through an inner ear model. He also let the students and the faculty to try the insertion of the electrode in the cochlea. Mr. Gourish answered questions from the audience patiently and clearly, remaining open to help the students and the faculty throughout his seminar.

STUDENT DEVELOPMENT PROGRAM

Talk on Paediatric Dysphagia: Assessment and Management

Program Details	
Date	1 st April 2024
Participants	11 Participants 2 nd MSc Students (9 Students) Dr. B. S. Premalatha Dr. Madhuri Gore
Resource person	Mr. Kushal Raj
Venue	Classroom, DR. SRCISH

Objective: The talk aimed at educating participants on paediatric dysphagia, focusing on assessment and management strategies.

Brief Overview: Mr. Kushal Raj, Speech Language Pathologist U.S, enlightened the students on the topic “Paediatric Dysphagia: Assessment and Management” for the II Msc Students on 01/04/2024. This talk was organized as a part of student development program in collaboration with IQAC.

The session began with an overview of Paediatric dysphagia, its impact on children’s health, and the importance of timely intervention. Detailed discussion was held on the common causes of dysphagia in children. Through engaging conversations, he highlighted different therapeutic and behavioural interventions for Dysphagia patients globally. He explained dietary modifications, texture changes, and the use of feeding devices. He also focused on comparison of treatment options in India and abroad. He presented real-life examples to help the students understand the differences in treatment approaches and outcomes.

Feedback: This talk was well appreciated by all the attendees and they appreciated the content and quality of the talk. Attendees also requested talks on similar topics to enhance their clinical knowledge.

Report on - "Cochlear Implant Surgical Approach"

Program Details	
Date:	2 nd April 2024
Participants	(7) 2 nd Msc. Audiology students (3) 1 st Msc. Audiology students (6) In-house faculty
Resource person	Dr. Vasantli Anand Cochlear Implant and Hearing Aid Surgeon & Director of Manasa Cochlear Implant & ENT Centre
Venue:	(Offline) Seminar Hall (11:00 am to 1:00 pm), DR. SRC/SH

Objective: This program aimed to enhance the knowledge of the "Cochlear Implant Surgical Approach" for the staff, 1st and 2nd Msc. students.

Overview: The talk was conducted on 2nd April 2024 by the Department of Hearing Studies in association with the Faculty Development Committee and IQAC for student and faculty training. The event aimed to assist students and faculty in gaining firm knowledge and experience in Cochlear implant surgical approaches. She delivered the talk for about two hours and begins with the candidacy criteria, assessment protocol, steps of implantation, and also post-implant rehabilitation. She shared the cases that she has dealt with & the discussion with faculty and students gave a realistic idea about the implications of post-implant rehabilitation and even she highlighted what will be the limitations or contradictions during as well as after the implant.

Talk : Using Everyday Items In Developing Speech And Language Skills In Children

Program Details	
Date	12 th April 2024
Participants	Hearing impaired children-42, Parents of hearing impaired children-42, Staffs-6, Students-10 Total-100
Organized by	Department of Hearing Studies (AVT Unit)
Talk/ Event	Using Everyday Items In Developing Speech & Language Skills In Children
Venue	Auditorium

Objective:

To use everyday items at home to enhance speech and language development with hearing impaired children

Brief Overview: Department of Hearing Studies (AVT Unit) in association with IQAC, conducted a talk on "Using everyday items in developing speech and language skills in children" on 12th April 2024 by Ms. Manasa R R, an Alumna of Dr. SRCISH and gold medalist in M.Sc (SLP). She is known for her interactive and creative approach in taking therapy, making the experience both fun and enlightening for the children and parents too. Her focus for the day was on using everyday items in developing speech and language skills in children. The session was carried out with an PPT presentation as well as live demonstration of daily using materials. Parents were given opportunities to interact and share.

Feedback:

A feedback form was developed and circulated to all the attendees. The talk was identified to be effective and almost relevance to the audience. Many parents requested for more sessions on these topic as well.

Event: Fitness Session

Program Details	
Date	09/05/2024
Time	09:00 - 10:00 AM
Participants	1 st , 2 nd and 3 rd year BASLP Students
Theme	Cardio Workout Session
Organized by	Physiotherapy Unit in association with IQAC
Venue	Auditorium

Objective: To improve the physical fitness of the students and to keep them energetic.

Brief Overview: A Cardio Workout Session was conducted for the 1st, 2nd and 3rd year BASLP Students by Ms. S. Ankayarkarni (Physiotherapist) and Ms. Dorin Philips P (Physiotherapist). The students were made to follow the exercises that were shown to them during the session. The sessions were started with a few stretching exercises to get the students ready for the session and that was followed by a vigorous exercise program. Music was added which enhanced the effectiveness of the session.

Feedback: The students actively participated in the session and enjoyed it thoroughly.

Ms. Alpinna Joseph

**Report on “Auditory Electrophysiological Development
with VIVOSONIC”**

Program Details	
Date	21/05/2024
Participants	Staff and Students
Resource Person	Ms Shwetha Sharmain Senior Audiologist, Arphi(1.5 years), Alumna (Batch UG 2013-17) Advancements in ABR Focus on VIVOSONIC
Venue	Auditorium, Dr. SRCISH

Objective: To orient the students and staff towards Auditory Electrophysiological Development with VIVOSONIC.

Brief Overview: The Department of Hearing Studies and Alumini of Dr.S.R.C. Institute of Speech and Hearing in association with IQAC organized a students and staff training program aimed to orient the staff and students towards the Auditory Electrophysiological Development with VIVOSONIC. Ms Shwetha Sharmain, Senior Audiologist, Arphi(1.5 years) and Alumna (Batch UG 2013-17) conducted the training. It was conducted on 21/05/2024. The recent advances, features of instrument were demonstrated on a subject.

Feedback: A time for discussion was provided towards the end of the session. All the queries of the attendees were addressed by the speaker. Positive feedback is obtained from the participants for the session.

Event: Talk on Mental Health Support During Organ Transplants

Program Details	
Date	23.05.2024
Participants	Students- 20 and Faculty- 14 Total= 34
Resource Person	MS. Kavya B. V
Organized By	Beyond Books and College Series (BBC)
Theme	Capability Enhancement- Human Value Development
Venue	Institute Auditorium

Objective: To build awareness on psychological challenges faced by organ transplant patients and the importance of mental health support throughout the transplant process.

Brief Overview: Beyond Books and College Series (BBC) in association with IQAC conducted a talk on "Mental Health Support During Organ Transplants" on 23.05.2024 between 1.30pm-2.30pm.

MS. Kavya B.V Certified ART based Therapies and Clinical Psychologist, Institute of Gastroenterology Sciences and Organ Transplant, IGOT, Enlightened the students and staff on this topic of significance.

She began her talk by outlining the procedures involved in organ transplants, detailing the steps from donor selection to post-operative care.

She emphasized the psychological challenges that transplant patients often face, such as anxiety, depression and stress which can significantly impact their overall recovery and quality of life.

She also highlighted on different types of counselling and mental health support strategies used to assist transplant patients and various therapeutic approaches, including individual counselling, group therapy and family support, emphasizing their roles in addressing the emotional and psychological needs of patients.

A significant portion of the talk was dedicated to discuss her own research on the topic. Her research provided valuable insights into the effectiveness of mental health interventions and the necessity of integrating psychological care into the transplant care.

Feedback: A feedback form was developed and circulated to all the attendees via Google form link. The talk was appreciated and was identified to be effective and of utmost relevance to the

audience. The overall quality of the talk was well appreciated. Students and staff are expecting talks of the similar prospect in the near future.

Outcome: This talk was highly informative and engaging, offering students valuable insights into the intersection and build awareness on mental health and organ transplantation. The comprehensive coverage of procedures, psychological challenges, counselling techniques, and research findings provided a well-rounded understanding of the topic.

The positive feedback from students indicates that the session successfully met its objectives and significantly enriched their knowledge and perspective on mental health support during organ transplants.

Talk on Pediatric Airway: Introduction to Laryngomalacia, Acute Epiglottitis and Subglottic Stenosis

Program Details	
Date	5 th July 2024
Participants	30 students
Resource Person	Dr. Chaithanya, Dr Divya
Venue	Institute Auditorium, DRSRCISH

Objective: The session was aimed at learning about different medical emergencies that can cause pediatric airway blockage such as Laryngomalacia.

Brief Overview: Dr. Chaithanya and Dr. Divya, ENT PG students from Dr. B. R. Ambedkar Medical College, Bangalore gave a talk aimed at "Pediatric Airway: Introduction to Laryngomalacia, Acute Epiglottitis and Subglottic Stenosis" for all the students posted in Speech Diagnostics Unit on 5/7/2024, Friday. It was conducted by Department of Speech Language Studies in collaboration with IQAC.

The session was aimed at learning about different first aid strategies to implement while encountering airway blockage due to different disorders in pediatric population especially in a clinical setup. They discussed about difficulties faced by children in case of Laryngomalacia, Acute Epiglottitis and Subglottic Stenosis and how it can be managed.

At the end of the session they also answered questions from the students who attended the session.

Event: Talk on Film and Media Analysis

Programme Details	
Date	25.07.2024
Participants	Students = 27 and Faculty = 48 Total = 75
Resource Person	Mr. Chetan A
Organized By	Beyond Books and College Series (BBC)
Treasure	Capability Enhancement- Human Value Development
Venue	Institute Auditorium

Objective: To build awareness on Film and Media Analysis with a comprehensive understanding of the critical elements involved in analysing films and media.

Brief Overview: Beyond Books and College Series (BBC) in association with IQAC conducted a talk on "Film and Media Analysis" on 25.07.2024 between 1:30pm-2:30pm.

Mr. Chetan A Film Maker and Actor delivered an insightful and engaging talk on "Film and Media Analysis" as part of Beyond Books & College (BBC) series. The session was designed to explore the various aspects of film and media analysis, offering attendees a structured approach to critically examining media content.

He discussed the importance of understanding narrative structures, character development, and visual aesthetics in films. Emphasizing the role of context, he highlighted how historical, cultural, and social backgrounds influence the interpretation of media texts.

Mr. Chetan provided tips on how to write effective film reviews and critiques, encouraging attendees to develop their unique analytical voices. The session included an interactive Q&A segment, where participants could discuss specific films and media texts, applying the analytical techniques learned during the talk.

He also illustrated the key analytical frameworks of film and media with examples from well-known films, demonstrating how to deconstruct scenes to uncover deeper meanings and themes. He also touched on the impact of digital media and the evolving landscape of film production and consumption.

Mr. Chetan provided tips on how to write effective film reviews and critiques, encouraging attendees to develop their unique analytical voices. The session included an interactive questions and answers segment, where participants could discuss specific films and media texts, applying the analytical techniques learned during the talk.

Outcomes: Overall, the talk was highly valuable addition to the FMC series, offering students a deeper understanding of film and media analysis. It equipped them with critical tools and perspectives, fostering a greater appreciation for the art of cinema and its broader cultural implications.

The talk received overwhelmingly positive feedback from students indicating that the session successfully met its objectives and significantly enriched their knowledge and perspectives on Film and Media Analysis.
